**Do you need a short-term project fundraiser? Long-term project income? WE CAN HELP YOU WITH THAT!**

Here's the **EASIEST** fundraiser you'll ever see-- No Selling – No Handling of Product or Sales Funds!

**Receive year-round income and/or raise special project money  
for your Christian School, church group or mission project, or support group.**

Our Scripture greeting cards are priced below market value, and we believe they will be a blessing to those who purchase them and to those who receive them. We are offering a 40% discount to any non-profit Christian organization on purchases made by their constituents and by friends and relatives of their constituents. That means that for every card (or booklet) purchased by your constituents and their friends and relatives, we return \$.90 of the purchase price to you!

What do YOU have to do to receive this money?

- 1) **Contact us** and let us know of your intention to take advantage of our offer in order to be eligible for this discount. At that time we will set up an account for you.
- 2) **Inform your constituents of our offer** and of your project or use of the funds, and ask them to visit our website to order their greeting cards (at a much lower price than a department store!) Remind them to refer their friends and relatives to our website as well. The easiest way to accomplish this, **without any expense on your part**, is by sending an email to your constituents, which they can forward to their friends and relatives. In the email, of course, you can give them the link that will take them right to our website. You can also insert an explanation or reminder of this opportunity in your periodic newsletters and other publications. For your constituents who don't have email or web access, we will provide you with a .pdf document with information and an order form that you can print and distribute.

That's all you have to do! We do all the rest!

You do not have to take orders, track sales, collect money, or distribute products! Your constituents order directly from us, showing your organization name on their order form, and we mail their order directly to them. **Any order that designates your organization name will be listed on your account and the \$.90 per card (\$2.58 per booklet) discount will be applied as a credit to your account.** (Tracking individual student participation? We keep those records for you!) Annually, or at a time requested by you, we will issue you a statement and a check.

Do you know of any other fundraiser that sells products BELOW department store prices? *Ours does!* For example, if someone bought 10 birthday or graduation cards at a discount department store, he would pay \$2.50 to \$4.50 per card. At an average of \$3.50 each, 10 cards would cost him \$35.00. If that person buys 10 Scripture greeting cards from us at \$2.25 each, he will pay only \$27.50 including shipping! And YOU WILL GET \$9.00 toward your project!

Do you know of any other fundraiser that continues to give you a percentage of the proceeds every time your constituents reorder? *Ours does!* You can raise funds for an open-ended project, such as a building fund. Or you can promote a specific project for a specific time period, such as lab equipment or band uniforms or a fourth-grade class project, then designate the continuing income as a jumpstart on next year's project or use it for an ongoing project. Either way your account will continue to be credited and your fund will continue to grow whenever someone lists your organization name on an order form!

Our Scripture greeting cards are unique for their beauty and their message. Each full-size card (5 3/8" x 7 7/8") contains an encouraging, thought-provoking poem with Scripture passages (KJV) related to the message of the card. Our cards are bookstore quality specialty cards. They are priced at \$1.75 each. We currently have 40 designs available, including five Christmas cards. We also offer bookmarks, special occasion booklets, and frameable prints on our website, which will provide encouragement and inspiration for many of life's occasions.

Excerpts from our GET WELL Card, *The Gift of Quietness*:

You have been a faithful servant, but I'm drawing you apart  
So that I can sit beside you and speak softly to your heart.  
There are things I want to say that you won't hear unless you're still;  
There's a strength that comes from resting that you'll need to do My will.  
So instead of feeling badly that you must inactive be,  
Just enjoy this gift of quietness and spend some time with Me!

Excerpts from our Birthday card, *An Annual Reminder*:

A birthday should renew our dedication  
Of body, heart, and soul, of mind and will;  
For a birthday is an annual reminder  
That He Who made us walks beside us still!

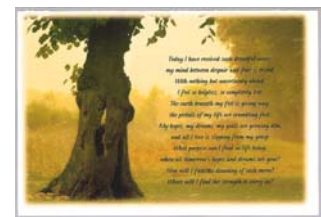

Excerpts from our New Baby card, *To Daddy and Mommy*:

But though providing food and clothes must surely have its part,  
By far your most important task is what you teach my heart.  
For time will pass, and death will come and breath from body sever;  
The parts of me you see will die—my soul will live forever.  
So through my life, dear Mom and Dad, please keep this as your goal:  
To take with you from earth to heaven my small eternal soul!

Excerpts from our Encouragement in Tragedy card, *Today*:

Today the comfort deep within your soul will spring from My unfailing love alone;  
Today your strength will grow from simple trust in what My mighty all-wise hand has done,  
Today you'll learn a secret known to those who've faced the loss of every earthly thing—  
For in this day, you'll find I'm all you need; and from this day, a sweeter song you'll sing."
