Excerpts from our GET WELL Card, *The Gift of Quietness*:
You have been a faithful servant, but I'm drawing you apart
So that I can sit beside you and speak softly to your heart.
There are things I want to say that you won't hear unless you're still;
There's a strength that comes from resting that you'll need to do My will.
So instead of feeling badly that you must inactive be,
Just enjoy this gift of quietness and spend some time with Me!

Excerpts from our Birthday card, *An Annual Reminder*:
A birthday should renew our dedication
Of body, heart, and soul, of mind and will;
For a birthday is an annual reminder
That He Who made us walks beside us still!

IMPORTANT NOTES--read before you order!

- 1) Grade 3 may use either the *Funbook* or the upper level course. If the student does not read well and is not ready for a chronological history study, use the *Funbook*. Most third graders do well with the upper level course.
- 2) The Student Booklet contains text, maps, state symbol pictures, quizzes, tests, answer key, and a state constitution study guide. The same Student Booklet is used for Grades 3-12. The difficulty level is easily adjusted using instructions and optional assignments in the Master Lesson Plan Book. Students will cut apart the Student Booklet and use the text, maps, and state symbol pictures to make a project notebook.
- 3) The project notebook for grades 3 – 12 may be made in a 3-ring binder or in A Beka Book's pre-formatted *My State Notebook* (either the 1997 or the 2008 edition). Creating a notebook in a binder allows more flexibility in depth and content and teaches organizational skills. For Grades 3-8 we recommend the use of *My State Notebook*, as this allows the student to focus on the content and still construct a beautiful notebook.
- 4) The Master Lesson Plan Book contains lesson plans for both of the project notebook options and instructions that adapt the course to your desired grade level (grades 3-12). It also correlates the teaching of combined grade levels, including the *Funbook*. The basic 30 lessons may be done in 6 weeks or expanded to your preferred course length using simple instructions in the Master Lesson Plan Book. Instructions are also given for continuing study if you wish to teach the same student again in a later grade level. The Master Lesson Plan Book also contains a 10-Day Plan (perfect for a concentrated summer course or a support group), our Six-Week Independent Study Guide, and our One-Semester Independent Study Guide (for individual students in grades 9-12). **If teaching more than one level, order only one Master Lesson Plan Book. The Master Lesson Plan Book is a necessary part of this course.** The Student Booklet alone will NOT provide you with a complete course. **You DO need our lesson plans even if you have A Beka's 4th grade history curriculum or DVD teacher guide.**
- 5) Older lesson plan editions that may still be used include the green booklet entitled *Lesson Plans (2001 or later)*, the *Six Week Independent Study Guide*, and the *One-Semester Independent Study Guide*. If you have a blue or cream-colored lesson plan book, please order a new one.
- 6) Incorporated Christian schools, please call for a school order form.
